INTERIM LETTER OF AGREEMENT for FULL TIME CLERGY

Between

\_\_\_\_\_ Church

And The Rev. \_\_\_\_\_

Who has been *elected Interim* with the understanding that this tenure shall continue until such time as a selection of a permanent priest is made. The Interim will serve in this capacity for at least \_\_\_\_\_ months until shortly before the permanent priest arrives (ideally within 30 days), unless earlier dissolved by mutual consent or upon sixty days' notice of either party.

**PREAMBLE**

The priest shall lead as pastor, priest and teacher, sharing in the councils of this congregation and of the whole Church, in communion with our Bishop. By word and action, informed at all time by the Holy Scriptures, the Book of Common Prayer, and the Constitution and Canons of the Episcopal Church and Diocese of Chicago, the priest shall proclaim the Gospel, love and serve Christ's people, nourish them, and strengthen them to glorify God in this life and in the life to come.

**SECTION A: TIMES OF WORK AND LEAVE**

1. The priest's work includes not only activities directed to the congregation and its well-being, but also labors on behalf of the Diocesan community. The priest's scheduled workweek is five days. In general, no more than three evenings per week are expected. The priest is expected to preserve at least one continuous 24-hour period each week solely for personal and family use.
2. The priest is invited to participate in the College for Congregational Development program.
3. For the priest's tenure, the priest is expected to participate in the Diocesan Fresh Start program.
4. The priest will have the following periods of leave at full compensation:
  - a. National Holidays, in so far as such leave will not interfere with worship for major occasions.
  - b. A total of four weeks' vacation is given per calendar year including five Sundays. No more than five days and two Sundays may be carried forward in the next calendar year.

- c. The priest will accrue sick days at the rate of one day per month. No more than 40 sick days may be accumulated. Employees will not receive compensation for unused sick days.

---

*Before proceeding to Section B, the congregation will need to determine whether housing will be provided or housing allowance is to be calculated as part of the priest's compensation.*

*Currently, the Diocese's minimum compensation rate is set each year at Diocesan Convention. After these minimum guidelines are met, the cash compensation should be set by the Bishop's Committee or Vestry, weighing the priest's experience and range of responsibilities. For 2021, the minimum compensation for full-time clergy is:*

*\$65,600 which includes: Cash Stipend, Self-Employment Tax and Cash Housing Allowance.*

*\$47,800 which includes: Cash Stipend and Self-Employment Tax and assumes a residence and utilities are provided.*

*The church would adjust these starting figures proportionally for part-time positions. For example, if a clergy member is expected to work 20 hours per week, the above figures would be reduced by 50%. This formula would be used to calculate any schedule other than full-time.*

***Note: These figures include SECA tax reimbursement and are adjusted relative to the Consumer Price Index by each Diocesan Convention.***

---

*If cash is provided in lieu of housing, complete Section B (1). If housing is provided, complete Section B (2).*

*The HSA, for 2021, must be funded by the employer and would need to be established in January of the current year with funding to occur either in January of the current year, quarterly in the year or on a monthly basis in the current year. Prorated amounts may **only** occur if a clergy member's hire date occurs within a calendar year; otherwise all clergy must have their funds funded each calendar year.*
